The BREMENHAIN (O 52/B 03) improvised airfield was occupied by about thirty EM wearing black-bordered, blue epaulets. The soldiers were quartered in BREMENHAIN. Three obsolescent biplanes were observed at the airfield. According to local residents, five biplanes were parked there. The aircraft were spraying insecticides over the wooded area north of GOMELITZ (O 52/B 00).

Comment:

The occupation of the BREMENHAIN improvised airfield has not changed since May 1949. The assignment of U-2s for pest destruction was previously reported. *
